## Megram Consulting Services Launches New Website

**(Renfrew, Ontario):** Megram Consulting Services Ltd. has launched a newly redesigned website at [www.megram.com](http://www.megram.com).

Company president, Robert Cross says a clean, easy to navigate website with a creative and functional design is one of the most powerful and cost-effective marketing and communication tools available today. "At Megram we have been developing, building and maintaining websites since 1997, our newly redesigned site is a reflection of who we are as a company and our commitment to quality service for our wide range of local and national clients

Located in Renfrew, Megram is a firm of experienced association managers, writers, editors and information technology specialists who work together to provide clients with customized services that efficiently and creatively meet their needs. Along with being one of the largest association management companies in Canada, the company develops, designs, writes, builds, hosts and maintains websites that are easy to navigate, attractive and reflective of their client's professional image.

For more information on the wide range of services offered by Megram visit [www.megram.com](http://www.megram.com) or call 1-613-432-9491.
